

AUCTION

TAPE RECORDING HEAD MFR. & MEMS FOUNDRY

Multi-Million Dollar 6" Semi-Fab Operation –
Complete Closure of a 65,000 Sq. Ft. Facility

INSPECTION: Tuesday, December 12, 2017 From 9:00 AM–4:00 PM

Surplus to the
Continuing Growth of

ORACLE®

Recording Head Operations

1450 Infinite Drive
Louisville, Colorado 80027

Nikon Model NSR-TFHi 12 Photolithography Stepper

FSI Polaris 2000 Photo Resist Coating Developing Bake and Cooling System

Veeco IBD/IBE (Ion Beam Deposition & Etch) w/CX6C2
Metal Film PVD Sputtering System w/Etch Mill Module

Categories Include:

- Vacuum Deposition & Sputtering
- Photo Resist
- Photolithography-Steppers
- Plating-Wet-Cleaning
- Magnetic Annealing Oven
- Polishing
- Film Measurement
- Quality Control
- Spare Parts Inventory
- Labs
- R&D
- High Quality Plant Support
