

Circatex is located in South Shields in the North East of England. Located about half way between Newcastle and Sunderland. Newcastle Airport is located approximately 15 miles from the factory. Domestic, European and International flights are very well served by Newcastle Airport.

Driving Directions

From the A19: Take the sliproad signposted A194 South Shields,

leave the roundabout at the third exit and proceed along the dual carriageway, crossing over the first roundabout and passing the Co-op superstore and Simonside Industrial Estate.

At the roundabout and junction of A194/A185, beside the car showrooms, bear right, pass the Port of Tyne entrance, following the sign for Riverside and the B1302.

At the next mini roundabout (approximately 100 yards) bear right into South Eldon Street.

Continue straight ahead for approximately half a mile, cross the road junction and continue straight ahead to the gatehouse. See Auction Signs.
