The Terms apply to all Transactions, including without limitation, public auctions conducted by TBG and direct purchases by Buyer of any item either before, after or independent of any public auction. ### TERMS AND CONDITIONS

1. All machinery, equipment, merchandise and other items (the "Goods") are sold on an "AS IS/WHERE IS" basis with no warranties or representations whatsoever, either expressed or implied. Neither TBG nor the consignor makes any warranties or representations of any kind or nature with respect to the property or its value, and in no event shall they be responsible for correctness of description, genuineness, attribution, provenance, authenticity, authorship, completeness, condition of the property or estimate of its value. No statement (oral or written) in the catalog, at the auction, or elsewhere shall be deemed such a warranty or representation, or any assumption of responsibility. Prospective bidders are urged to contact TBG directly for detailed information regarding any lot. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, THE WARRANTIES OF FITNESS FOR A PARTICULAR PURPOSE AND MERCHANTABILITY are expressly disclaimed.

2. Registration. Buyers must register prior to bidding at any auction sale and must be of legal capacity to enter into this agreement. All bidders must provide their name, company (if applicable), mailing address and phone number prior to the auction. By registering you represent and warrant any and all Buyer Information is accurate and complete. It is solely the Buyers responsibility to maintain current Buyer Information for completeness and accuracy. TBG reserves the right to deny and or terminate Registrations at any time at its sole discretion without notification. TBG reserves the right to deny usage and access of TBG Services and Websites at any time without notice or liability to any persons or third parties. When applicable, Electronic bidders are required to provide a valid email address and Visa or MasterCard number. At its discretion, TBG may charge a registration fee for Electronic bidding. This fee will be clearly displayed during the registration process. THE BIDDER AUTHORIZES TBG TO CHARGE LIQUIDATED DAMAGES TO THE CREDIT CARD LEFT ON FILE DURING THE REGISTRATION PROCESS. (See section 9 "Default" below.)

3. Deposits. TBG requires a deposit of not less than twenty five percent (25%) of the Buyer's TOTAL PURCHASE PRICE by the end of sale day - with the balance due by the end of the next business day. This can be in the form of cash, a cashier's check, or business check with a bank letter of guarantee. For Electronic bidders, at its discretion, TBG may contact bidders via email or telephone before or during the sale to provide a bank letter of guarantee or wire transfer as a deposit. If TBG does not receive a response from its attempts to contact Buyer or if the Buyer does not provide a deposit, TBG reserves the right to refuse or cancel Buyer's bids and re-sell Goods.

4. Invoices & Payment Instructions. For Onsite and Webcast auctions, winning bidders can request a printed paper invoice from the Accounting Manager at the sale location during or after the sale. Electronic bidders will be sent an electronic invoice to the email address provided during registration. Invoices can be faxed upon request. Detailed payment instructions for each sale are available in the printed lot catalog at the sale location on the day of the sale. Electronic bidders will be sent detailed payment instructions via email along with their invoice.

5. Payments. TBG must receive the balance of the total purchase price no later than the close of business on the day following the auction (the "Final Payment Date"). All payments must be in cash, cashier's or certified check, federal wire transfer of immediately available funds or a corporate check accompanied with a bank letter of guarantee, and all of the foregoing must be in form, scope and substance acceptable to TBG. CREDIT CARDS ARE NOT ACCEPTED AS PAYMENT TOWARDS INVOICES. Credit cards are accepted only for Electronic bidding registration and for Liquidated Damages in the event of a default. Without limiting TBG's discretion, no corporate checks without a bank guarantee and no personal checks will be accepted. No title shall pass to Buyer until the total purchase price and all Taxes have been paid to TBG in collected funds.

6. Taxes. Buyer must also pay to TBG on or before the Final Payment Date, all sales, export, use and other taxes due to any federal, state or local taxing authority (the "Taxes") as a result of Buyer's purchase, including without limitation, any taxes arising from any Buyer's Premium (as defined below). To receive the benefit of any tax exemption, Buyer must supply TBG with a sales tax exemption certificate acceptable in form, scope and substance to TBG in TBG'S sole discretion.

7. Buyer's Premium. TBG in its sole discretion may impose a buyer's premium ("Buyer's Premium") on any Goods sold. The Buyer's Premium is a percentage that is added to the final purchase price of any item. For Onsite auctions, TBG shall charge and collect from each successful onsite bidder a 12.5% buyer's premium for each sale at the auction, in

addition to the purchase price as bid. For Webcast and Online auctions, electronic bidders will be charged a 15% Buyer's Premium.

8. Removal. (1) Buyers or their Agents must remove all Goods purchased before the final removal date and time announced by TBG at the auction (the "Removal Date"). Before Goods can be removed by an Agent, Agent must provide TBG with (1) proof of payment in full (Paid In Full Invoice) and (2) an "Agent Release Authorization" form which allows The Branford Group to release items to a third party contractor for shipping, crating or packing purposes.

8B. Goods weighing more than 100 pounds must be removed by a qualified, insured rigger. Before any removal, Buyer must provide TBG with a certificate of insurance from the rigger, which certificate must be in form, scope and content acceptable to TBG in TBG'S sole discretion. Without limiting TBG'S discretion, such certificate must show that the rigger carries comprehensive liability insurance written by an insurance carrier of national standing and in an amount of not less than two million dollars (\$2,000,000.00). Without limiting the generality of the foregoing, Buyer shall restore and repair all real and personal property that is altered or damaged as a result of Buyer's removal of the Goods. TBG shall have no responsibility to disconnect utilities to the sold asset, including electric, gas, waste and water lines. Buyer is solely responsible to properly remove and store in appropriate containers all fluids, oils, hazardous chemicals, etc., from machinery purchased. Buyer does hereby indemnify TBG, the owner of the Goods and the owner of the premises in which the Goods are located, from any and all claims, damages, and losses arising from Buyer's actions or actions with respect to the Goods and Buyer's presence on the premises in which the Goods are located, including without limitation, injuries to persons or property and environmental violations or contamination. Risk of loss on any Goods shall pass to the Buyer upon payment in full to TBG of all sums due from Buyer in respect to the Goods.

8C. Small Lot Removal. TBG shall have no responsibility whatsoever for any missing or lost items that can be removed by hand if such items have not been removed within forty-eight (48) hours of the conclusion of the sale. There will be NO removal of any lots until the auction is complete.

9 Default. Bidders must bid only on those items they are prepared to pay for and remove in accordance with the terms and conditions of this sale. All items awarded to high bidders are contractually theirs and must be paid for by the Final Payment Date and removed by the Final Removal Date. THIS IS YOUR OFFICIAL NOTICE OF DEFAULT. Upon default, the purchaser shall lose all right, title, and interest which he/she might otherwise have acquired in and to such property as to which default has occurred. TBG will re-market and re-sell this property.

9A. Payment Default. Failure to pay invoices in full by the Final Payment Date in accordance with payment terms will subject Bidder to pay as Liquidated Damages a sum equal to the lesser of (1) 20 percent of the invoice price of the item(s) as to which the default has occurred, or (2) the full amount of the difference between the original invoice price and the re-sold price plus any expenses incurred to re-market or re-sell these items. IF TBG HAS NOT RECEIVED PAYMENT FOR WINNING BIDS WITHIN 24 HOURS OF THE FINAL PAYMENT DATE, THE BIDDER AUTHORIZES TBG TO CHARGE LIQUIDATED DAMAGES TO THE CREDIT CARD LEFT ON FILE DURING THE REGISTRATION PROCESS.

9B. Removal Default. Failure to remove items by the Final Removal Date in accordance with removal terms will subject Bidder to pay as Liquidated Damages the full amount of the expenses incurred to store or transport items until they are re-sold. IF BUYER HAS NOT REMOVED ITEMS WITHIN 24 HOURS OF THE FINAL REMOVAL DATE, THE BIDDER AUTHORIZES TBG TO CHARGE LIQUIDATED DAMAGES TO THE CREDIT CARD LEFT ON FILE DURING THE REGISTRATION PROCESS.

10. After Buyer has removed any item from TBG'S possession, TBG shall have no obligation to make any adjustment or accommodation to Buyer because of any mistake in quantity or other defect or problem with respect to such item. Buyer must make all requests for adjustments in writing to TBG before any item is removed from the premises where the auction is conducted.

11. TBG shall not be responsible for any damages, loss or theft of Goods except in the case of TBG'S willful misconduct. Without limiting the foregoing, TBG shall not be responsible for damages or losses caused by strikes, civil disorders, or acts of God.

13. Minimum or Reserve Prices. TBG, in its sole discretion, reserves the right to establish a reserve or minimum price on any Goods without having to announce, post or publish notice to attendees and buyers at any auction. TBG reserves the right to confirm or reject the final bid.

Further, The Branford Group, and/or its affiliates or subsidiaries, may bid at the auction either for its own account or on behalf of a third party.

14. Absentee Bids. By completing an "Absentee (Proxy) Bidder Form," Bidders may appoint TBG to be an agent and proxy for the sole purpose of purchasing the items listed when the Bidder CANNOT bid on the day of the sale. ALL BIDS ARE FINAL AND BINDING and DO NOT include any applicable buyer's premiums and sales taxes. TBG will bid up to the specified maximum bid amount to win the item, using only the amount needed to win the item. TBG has complete discretion whether and when to accept Proxy bids. The auctioneer's announcements at the time the lot is sold take precedence on any and all published materials. Proxy bidders will be notified only if they have been declared the high bid. Notification will take place in the form of an electronic invoice which will be sent to the email address provided during registration.

15. TBG, in its sole discretion, reserves the right to refuse the bid of any person without providing any notice or reason therefore. TBG reserves the right to deny the usage and access by any person or third party of any and all TBG Services and Websites without notification.

16. TBG, in its sole discretion, shall control all bidding increments and advances at any auction. The Branford Group reserves the right to reject any bid that is only a minimal increase over the preceding bid, that is not commensurate with the value of the item being offered or that The Branford Group believes was made illegally or in bad faith. In the event of a dispute among bidders, The Branford Group may, in its sole discretion, either accept what it deems to be the final bid or solicit further bids on the item in dispute. No returns or refunds will be permitted, unless authorized by the seller in writing.

17. TBG reserves the right, in its sole discretion, to sell items advertised as a public auction sale, on a piece by piece basis or as a complete lot. Without limiting the generality of the foregoing, TBG may accept a complete lot bid and then conduct an item by item auction which auction shall be effective only if the total proceeds therefrom exceed the amount of the complete bid.
